Chapter 167 "The War Front"

JANGO'S DANCE PARADISE VOL.32 "SHOW YOUR MOVES, COURT!"

All we really have to do is head North from Yuba.

The oasis town of Rainbase where Crocodile is currently at is here.

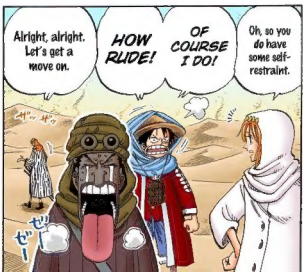

So there are some towns that are unaffected by the rebellion...

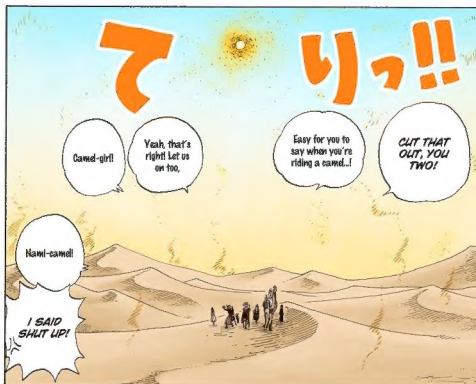

Don't get any strange ideas now...

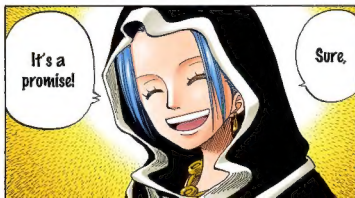

Casinos, you say!?

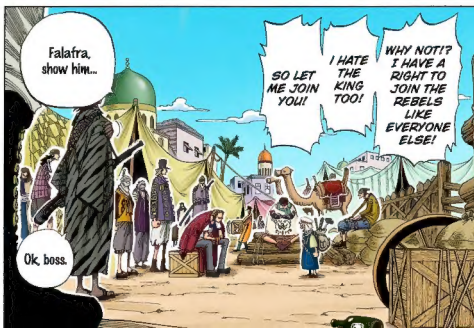

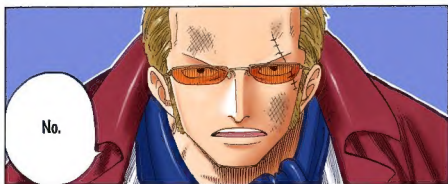

Yes, don't worry. Despite the ongoing chaos in other parts of the country, Rainbase is a vibrant casino-town.

Will there be water there?

This man here received that wound during a battle, while trying to cover me...!

There's also the hospital ward and cemetery that I can show you...

GAHH!

ヒキッ!!

FLASH

ヒキッ

I'M NOT SCARED OF THAT STUFF!

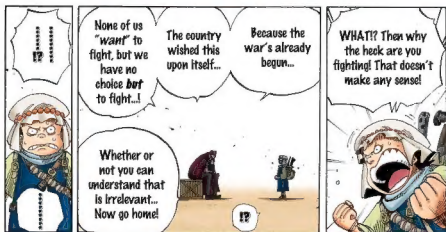

I'M...

SO I WANT TO FIGHT TOO! THINGS LIKE INJURIES OR DEATH ISN'T GOING TO SCARE ME AWAY!

This is all because he stole our rain!

And I know it won't be long before his town also dries up like Erumalu!

My friend who lives in the town beside Erumalu is sick right now!

Royal
Palace at
Alutarna

ABSOLUTELY
NOT! HOW
MANY TIMES
HAVE I TOLD
YOU NO
ALREADY!?

THIS ISN'T
A FIGHT
BETWEEN
CHILDREN
WE'RE
DEALING
WITH HERE!

YOU WANT
TO GET
BACK AT
THEM FOR
ATTACKING
US?

SO WHAT
IF IT DOES!?

YOU WOULD
USE THAT AS
AN EXCUSE
TO KILL OUR
PEOPLE!?

BUT YOUR
MAJESTY! IF
WE DO NOT
ACT SOON,
OUR KINGDOM
MAY VERY
WELL FALL!

All we can do is wait and suppress whatever revolt that keeps popping up...

With the Käng's mind set on forbidding even the mere idea of an offensive,

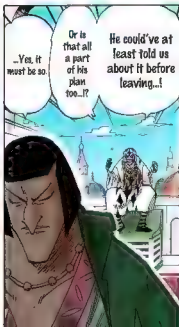

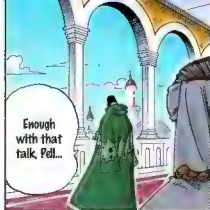

Just trying to keep our own soldiers in-line...

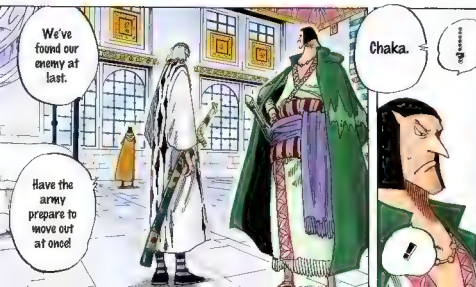

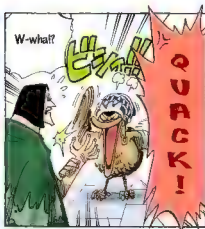

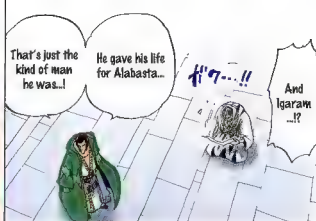

And we're already at our limits,

Vice-Commander and current Acting Commander-in-Chief of the Alabasta Royal Guards
"Chaka the Jackal"

Vice-Commander of the Alabasta Royal Guards
"Pell the Falcon"

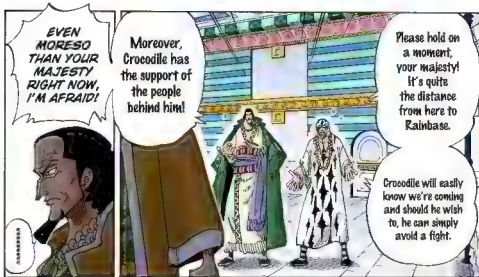

ATTACK
CROCODILE
AT
RAINBASE
IMMEDI-
ATELY!

WE CANNOT
ALLOW
VIVI'S
DETERMINA-
TION AND
IGARAM'S
SACRIFICE
GO TO
WASTE!

EVEN
MORESO
THAN YOUR
MAJESTY
RIGHT NOW,
I'M AFRAID!

Moreover,
Crocodile has
the support of
the people
behind him!

Please hold on
a moment,
your majesty!
It's quite
the distance
from here to
Rainbase.

Crocodile will easily
know we're coming
and should he wish
to, he can simply
avoid a fight.

The rebels will
no doubt use the
opportunity to
capture the
Royal Palace,

While our armies
attack Rainbase...!

If we move
in to attack
Crocodile
now,

That would
be pouring oil
on fire!

Haven't I told
you already
that the
country is
its people?

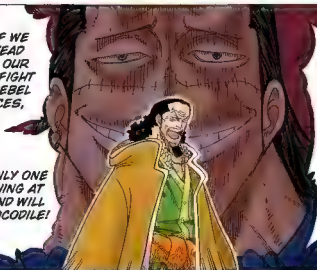

So what if
the rebels
take the
palace...!?

**BUT IF WE
INSTEAD
HAVE OUR
ARMY FIGHT
THE REBEL
FORCES,**

**THE ONLY ONE
LAUGHING AT
THE END WILL
BE CROCODILE!**

**EVEN IF THE
ROYAL ARMY
WERE TO BE
DEFEATED, AS
LONG AS
CROCODILE IS
TAKEN OUT,
THE COUNTRY
WILL BE
REBUILT BY
THE HANDS OF
ITS PEOPLE!**

It does not
matter even
if stopping the
rebels is
impossible...
Our only
target is
Crocodile!

Forgive our
short-
sightedness...

Your
majesty...

It won't be one
that can be
won without
sacrifices!

Our enemy is
a member of
the Royal
Shichibukai...!
This will be
no easy
battle...

WE'VE
UNDERESTIMATED
OUR MAJESTY'S
FORESIGHT... WHAT
SHEER FORCE OF
WILL!

Pell, you are to go
ahead and scout
the enemy base.

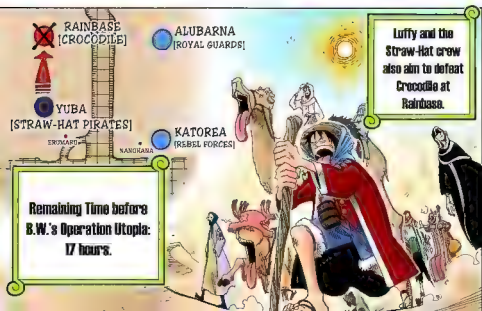

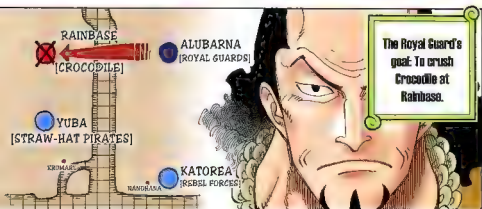

Chaka! Call all
officers for an
emergency battle
meeting!

SEND ALL
TROOPS TO
RAINBASE!

YES,
SIR!

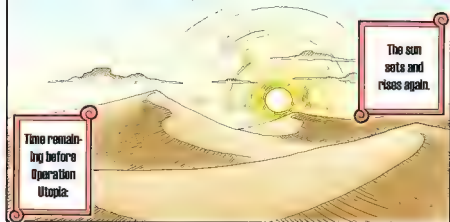

FIRST
THING
TOMORROW
MORNING,

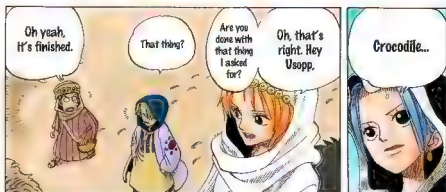

Chapter 168

"The Town of Dreams, Rainbase"

BECAUSE
I'LL
PROTECT
THEM AT
ALL
TIMES!

If Nami and Vivi
don't want to
fight, then they
don't need to...

Hey, don't give
anything too
dangerous to
Nami now.

Uh huh,
I see...

First,
you can...

Wow, that's
amazing.

Just call me,
"Prince,"
ladies!

はっ—ん!!

...Yes, most
likely.

By the way, does B.W.
know we're currently
in the country?

I SAID
ONLY
THE
LADIES!

Move it,
Prince.

Well if they
know our
faces, we
can't take
any overt
actions.

So what
if they
know?

So I can't
imagine B.W.
would still be
in the dark.

Not only did we
run across Mr. Z,
but Mr. S's also
somewhere in
the country.

Right, and let's not forget their specialty is assassination...!

So if one of them spots us, then Crocodile will know we're coming and plan ahead!

There might be a lot of B.W. agents teeming all over Rainbase.

What, why not!?

But you know, Usopp...

DID YOU NOT LISTEN TO WHAT I JUST SAID? **バカ!!!**

ALRIGHT! TIME TO KICK CROCODILE'S ASS!

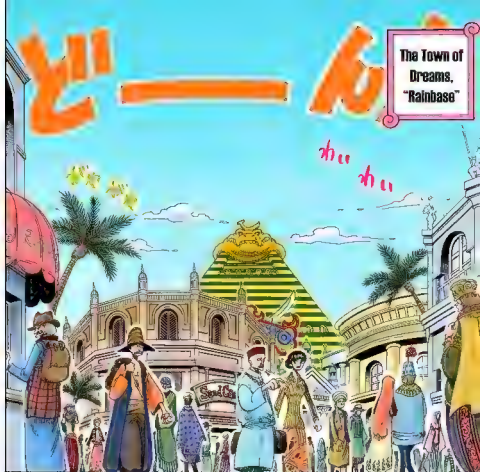

Oh jeez...

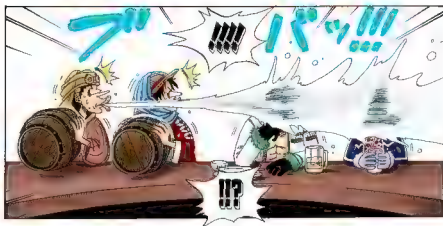

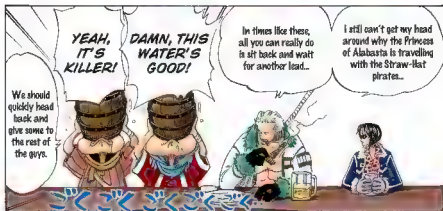

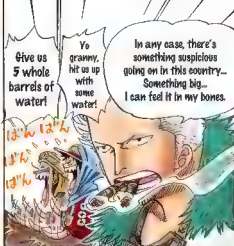

What's wrong? You gonna chicken out, Usopp?

I'll give my best then!

We've got no time to play things safe. A short and direct approach might be our best chance.

I think I might agree with Luffy here!

I don't know...
They might just
come back with
more than just
water, if you know
what I'm sayin'...

UOO!

Don't
worry.

It's just a little
errand. I'm
sure they can
handle it.

Do you think it
was alright
trusting them
with getting the
water?

I'm gonna
go to a
washroom.

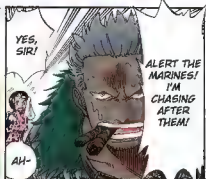

It might not be
good to get too
relaxed while
waiting here.

S-sorry for
the trouble...

Well if you know
those two who just
ran out with the
water, you'll have
to pay for them too!

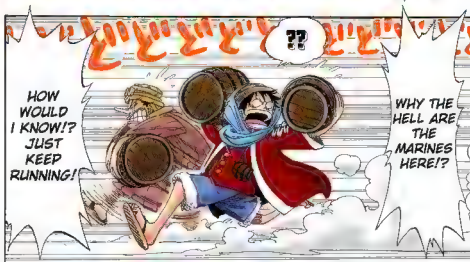

Umm, how
much do we
owe you?

YES,
SIR!

ALERT THE
MARINES!
I'M
CHASING
AFTER
THEM!

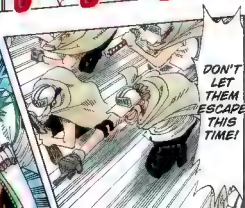

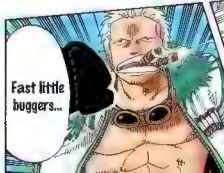

AH-

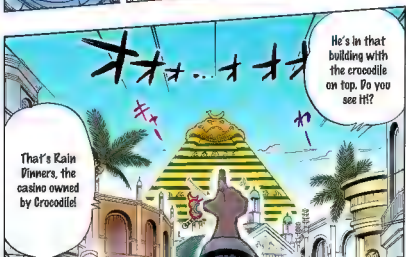

??

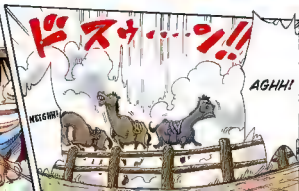

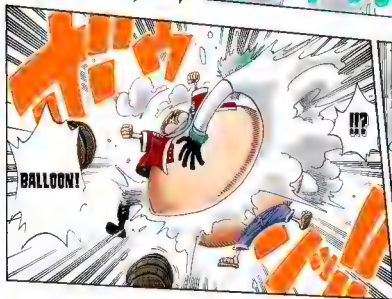

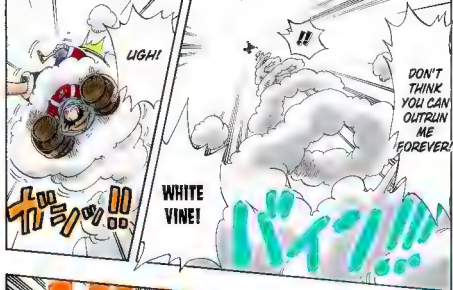

HOW
WOULD
I KNOW!?
JUST
KEEP
RUNNING!

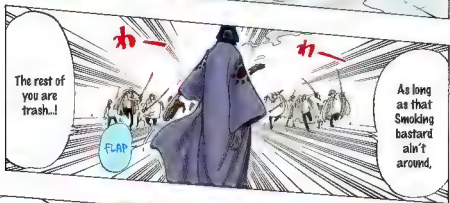

WHY THE
HELL ARE
THE
MARINES
HERE!?

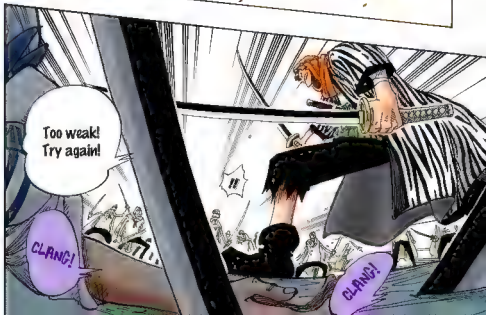

No it
wasn't!
You've yet
to cut me
once!

Hey now,
I've got no
intention of
fighting you!

Our match was already settled!

Ahh!
WAIT
RIGHT
THERE!

Damn it!
I'm just not
good dealing
with her!

だっ! (Dai!)

You despicable man! How dare you try to make a fool out of me again...

You despicable man! How dare you try to make a fool out of me again...

FOR! KILL
THEM!

ガチちゃん!!

It's best to think of it as a solidified form of the sea.

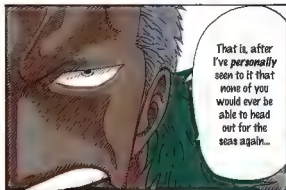

There's still a lot of mysteries surrounding this mineral but what we do know is that it emits the same type of energy as the sea.

?

To prevent devil-fruit users from using their abilities and escaping.

The prisons at the Marine HQ all have cages made with seawater.

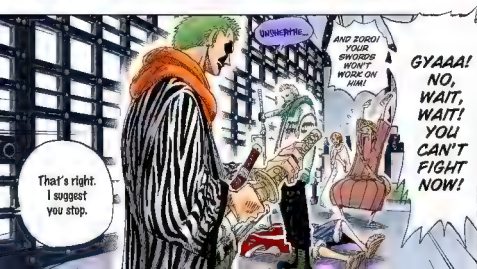

So that's what's been sapping Luffy's power...

That is, after I've *personally* seen to it that none of you would ever be able to head out for the seas again...

If they weren't, I'd already be long gone from here.

Then these cages too are made with-

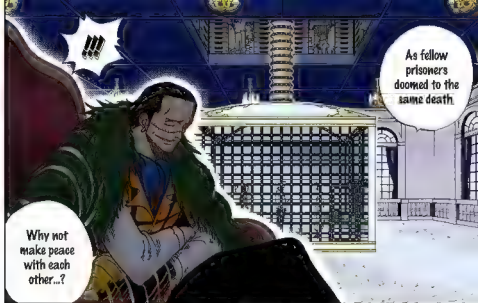

That's right. I suggest you stop.

UNHEPHE...

AND ZORO! YOUR SWORDS WON'T WORK ON HIM!

GYAAA!
NO,
WAIT,
WAIT!
YOU
CAN'T
FIGHT
NOW!

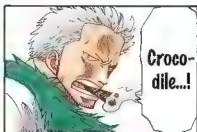

As fellow prisoners doomed to the same death

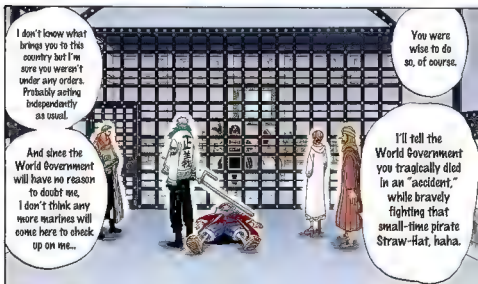

Why not make peace with each other...?

You certainly live up to your reputation as a wild dog, Capt. Smoker.

Crocodile...!

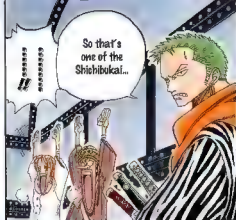

I don't know what brings you to this country but I'm sure you weren't under any orders. Probably acting independently as usual.

And since the World Government will have no reason to doubt me, I don't think any more marines will come here to check up on me...

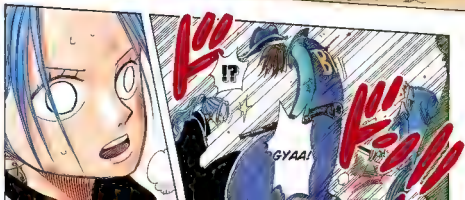

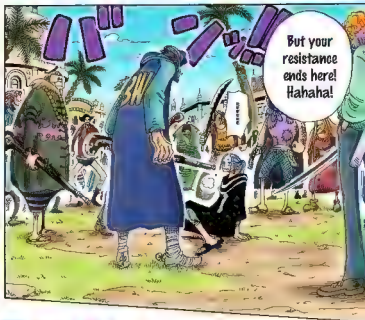

You were wise to do so, of course.

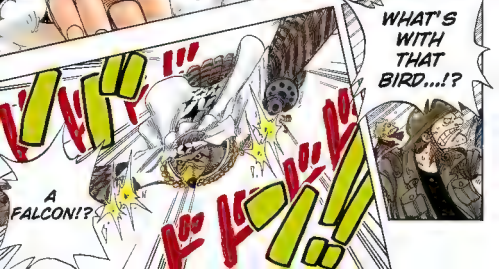

I'll tell the World Government you tragically died in an "accident," while bravely fighting that small-time pirate Straw-Hat, haha.

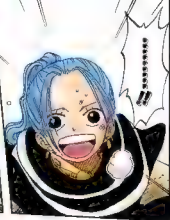

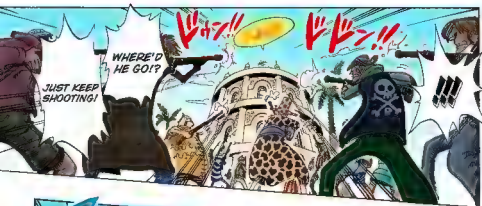

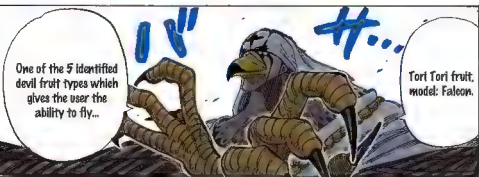

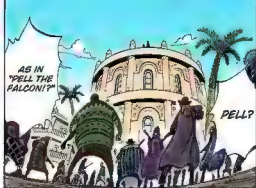

Quite the fight you put up, princess.

TOBIZUME!

(Flying Talon)

!!!?

Thank god for Pell!
Now I have to hurry
and meet up with
the others...!

ドキ...

PRESIDENT...!

Who are you?

VICE...

MS. ALL SUNDAY!?

!?

Good,

If that's what you want too, then this should go a lot more smoothly.

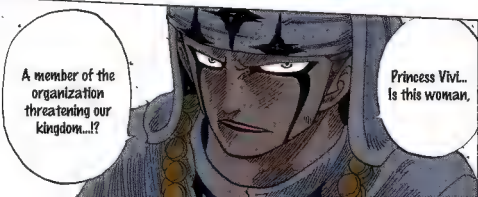

But I wonder if you're stronger than me...?

Magnificent...

This is my first time seeing a flying man.

!!

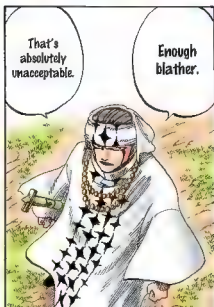

A member of the organization threatening our kingdom...!?

Princess Vivi... Is this woman,

Chapter 170

"It Begins"

A princess should
never resort to such
brutish behaviour,
Ms. Wednesday.

Now,
now.

Cutie!

DON'T
YOU
UNDER-
ESTIMATE
ME!

Oh, you
mean
Mr. S...

Igaram?

I WON'T
FORGET
WHAT
YOU DID
TO
IGARAM

How
hypocritical...!

After all, how is it
any different from
what you did to my
employees down
there?

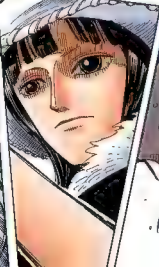

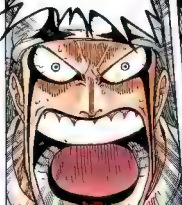

Is it really
something to
lose your
temper over?

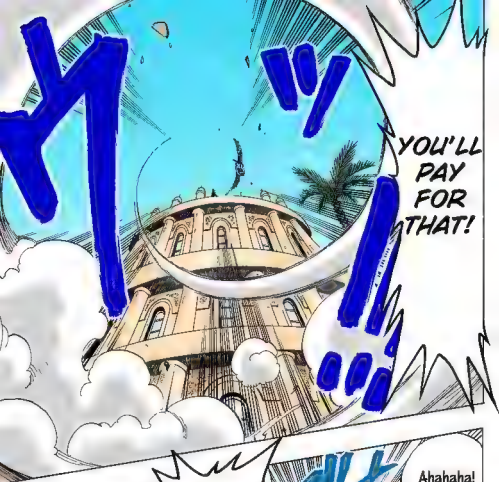

AH-

WAS SHE
THE ONE
WHO KILLED
IGARAM!?

PRINCESS
VIVI!

**YOUR

Ahahaha!

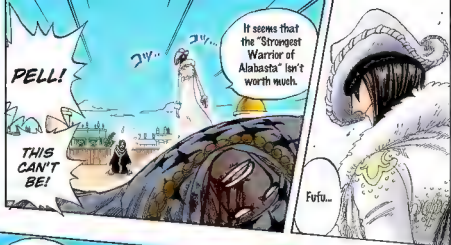

THUD!

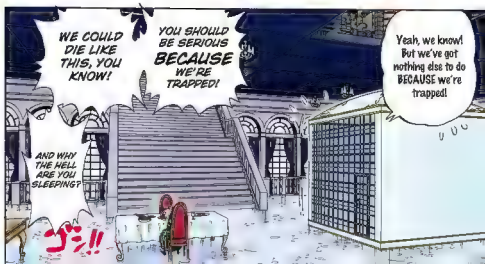

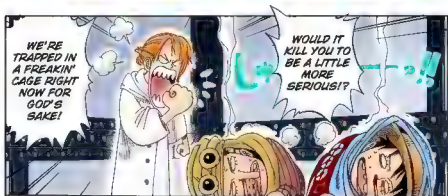

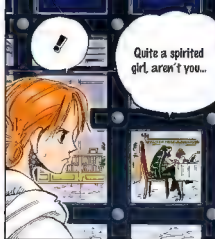

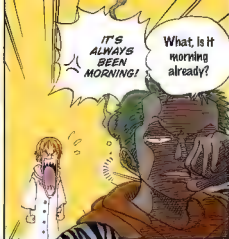

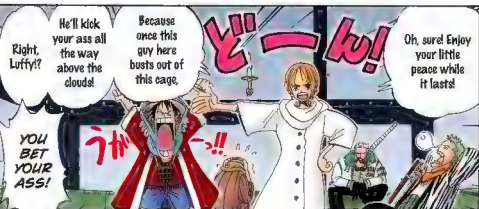

Quite a spirited girl, aren't you...

IT'S ALWAYS BEEN MORNING!

What, is it morning already?

Right, Luffy!?

He'll kick your ass all the way above the clouds!

Because once this guy here busts out of this cage,

YOU BET YOUR ASS!

うか

ー!!

ドーン!

Oh, sure! Enjoy your little peace while it lasts!

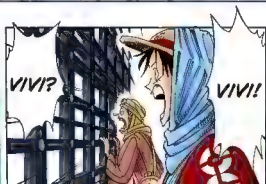

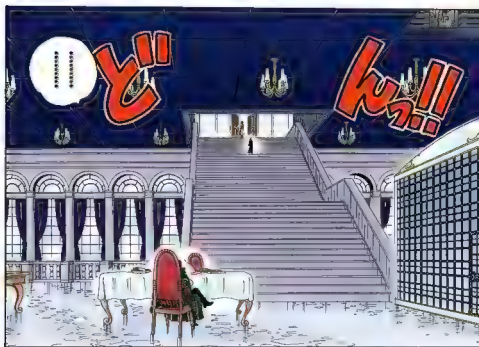

Kuhaha!

Is there anything more useless in this world?

It appears you've got your crew's unwavering trust, Straw-Hat Luffy...

Trust...

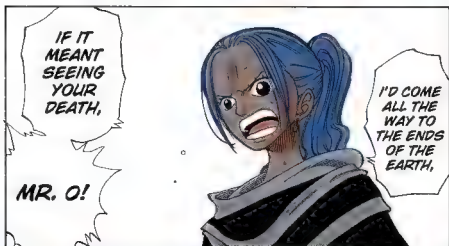

Or rather, Ms.
Wednesday...

Ah, welcome
at last,
Princess Vivi-

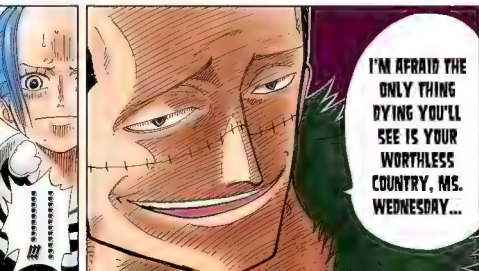

You've done a
splendid job
avoiding my
assassins and
making it all
the way here.

IF IT
MEANT
SEEING
YOUR
DEATH,

I'D COME
ALL THE
WAY TO
THE ENDS
OF THE
EARTH,

MR. O!

I'M AFRAID THE
ONLY THING
DYING YOU'LL
SEE IS YOUR
WORTHLESS
COUNTRY, MS.
WEDNESDAY...

IF IT JUST
WEREN'T
FOR YOU,
THIS
COUNTRY
WOULD
STILL
HAVE ITS

HEY YOU! GET AWAY FROM VIVI RIGHT NOW OR I'LL KICK YOUR ASS!

H-HE'S A SAND-HUMAN!?

And the start of a very long day...

The time is now 7 o'clock.

And so begins Baroque Works' Operation Utopia,

Chapter 171

“The Rebellion’s Leader, Kouza”

JANGO'S DANCE PARADISE VOL.36 "STOP! LOVE SHOCKED BY HOT FEMALE CAPTAIN!"

WE'VE
ALREADY
SEARCHED
THE ROYAL
SLEEPING
QUARTERS,
STOREHOUSE,
BALCONY,
PALACE
GROUNDS,
AND EVEN THE
GARDENS!

COM-
MANDER
CHAKA!
THE KING
IS
NOWHERE
TO BE
FOUND!

KEEP
SEARCHING
FOR HIS
HIGHNESS!

Alabastan
Capital,
"Alubarna"

That's impossible, sir!
The guards stationed
outside his room last
night reported seeing
no such thing!

Are you sure his
highness didn't just
go for a walk
outside late last
night?!

He must be
somewhere!

And even if he left
his room, we have
guards stationed all
over the city! One of
them would have
spotted his highness
by now!

はっ! ぐわッ!

THEN TELL
ME HOW
COULD HE
HAVE
DISAPPEARED
FROM HIS
SLEEPING
QUARTERS!?

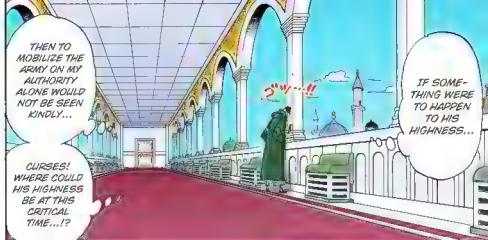

Um...
well...

Fell's usually the
man for these
kinds of jobs,

But he's
currently
busy scouting
Rain Base...

YES,
SIR!

I WANT EVERY
INCH OF THE
PALACE
GROUNDS AND
THE CITY
BOMBED
THROUGH!

THEN TO
MOBILIZE THE
ARMY ON MY
AUTHORITY
ALONE WOULD
NOT BE SEEN
KINDLY...

CURSES!
WHERE COULD
HIS HIGHNESS
BE AT THIS
CRITICAL
TIME...!?

IF SOME-
THING WERE
TO HAPPEN
TO HIS
HIGHNESS...

Y-yes, but...
Apparently, the
reports say he...

You found
him!?

SIR! W-WE
FOUND HIS
HIGHNESS!

WHAT?

W...

Katorea,
current base
for the rebels

KOUZA!
WAIT FOR
US TOO!

WHAT'S
THE
MEANING
OF THIS?!

Trust in the
king, Kouza.

HAVE YOU
REALLY
SUNK SO
LOW,
COBRA?!

That I decided
to come here
to Yuba and
help you, dad.

It wasn't
for the
king's sake.

I personally
don't care for
him at all.

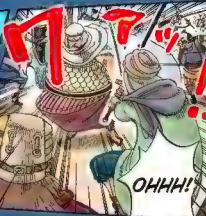

...Only the old
folks still say
that.

You should know
first-hand just how
much the king cares
for his subjects...!

There's
been lots of
casualties
too...

Yeah,
I heard...

Did you hear
the rebels now
number over
100,000...?

Haha...

Heh, don't
listen to the
nay-sayers.

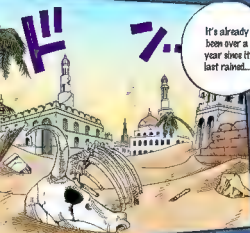

Their doubts will
easily be washed
away once the
rain comes...

WHO
WOULD'VE
DONE
SUCH A
THING!?

THE
IRRIGATION
CANALS
HAVE BEEN
DESTROYED!

THIS IS
TERRIBLE!

NOW THE
TOWN'S
CUT OFF
FROM
WATER!

It's already
been over a
year since it
last rained...

If only the
rain would
come...

FLAP

アアアア

THIS MAN IS
CRITICALLY
WOUNDED!
HE NEEDS
TREATMENT
AT ONCE!

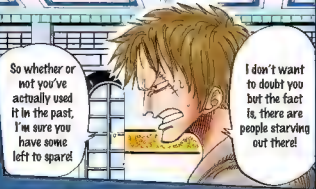

Don't lose
faith, Kouza.

The rain
will come.

I hear
Eromalu's a
ghost town
now.

Absolutely not!
We must wait for
the rain to fall
naturally!

So whether or
not you've
actually used
it in the past,
I'm sure you
have some
left to spare!

I don't want
to doubt you
but the fact
is, there are
people starving
out there!

If we could just make a
little bit of rain... Just a
small amount enough to
get the people through
this drought... Then the
rebellion might stop!

Alabasta is
not the only
country that
needs rain.

Its use is
prohibited!

Dance Powder
is a powder
that calls forth
misfortune.

I'm sure
using just
a little
won't
hurt!

**I WON'T STAND
BY AND WATCH
THE TOWNS
DRY UP ONE
BY ONE
ANYMORE!**

You're under-
estimating the
dangers of
Dance Powder,
Kouza...

That would
only exacerbate
the situation.

**GIVE US
OUR RAIN
BACK, KING
COBRA!**

SLUMP...

No, I've
changed...!

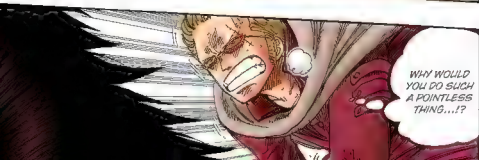

I can
fight
now!

You haven't
changed at all,
have you...

JUST YOU WATCH!
I'LL COME
BACK TO STEAL
YOUR RAIN!

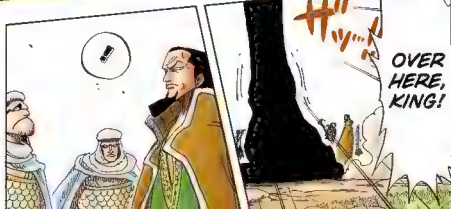

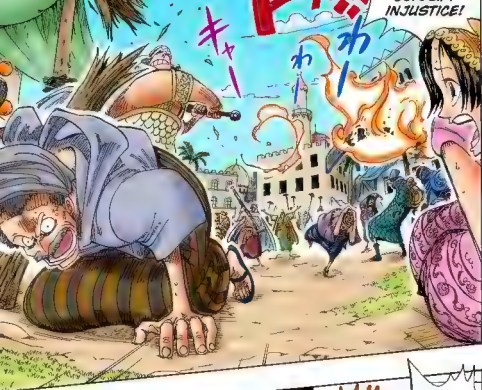

WHY WOULD
YOU DO SUCH
A POINTLESS
THING...!?

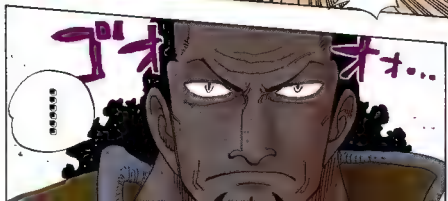

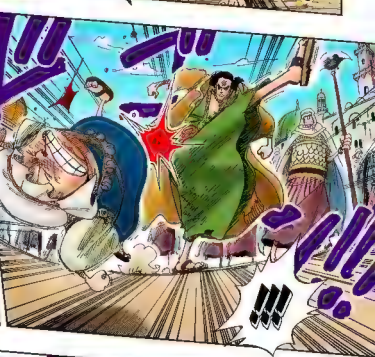

YES,
SIR!

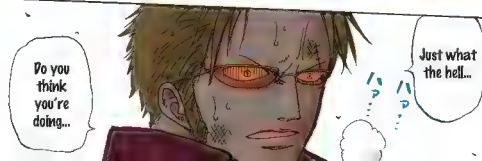

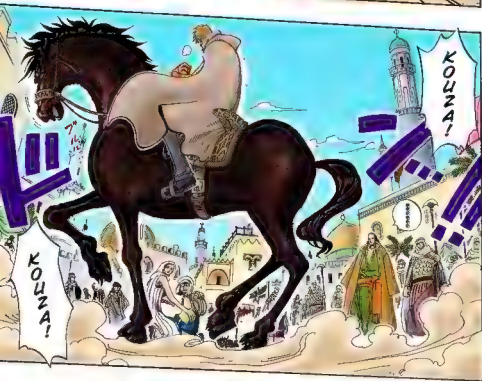

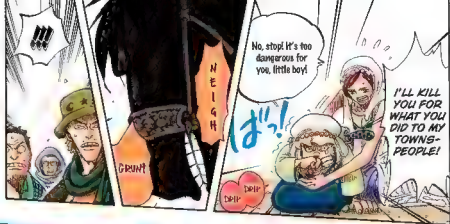

ドカン!!
ドカン!!
!!!?

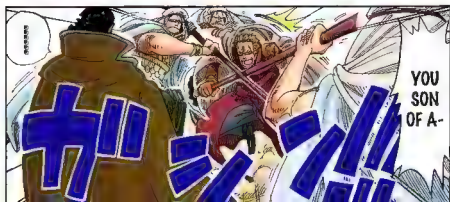

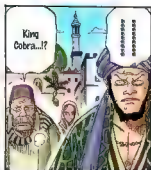

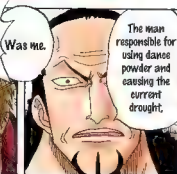

BURN DOWN
THIS CITY,
WHICH STANDS
ONLY AS A
REMINDER OF
CORRUPT
INJUSTICE!

OVER
HERE,
KING!

THEY WEREN'T
ANGRY NOR
DID THEY
RESENT YOU!

THEY ALL
DIED BELIEV-
ING IN YOU
TO THE
VERY END!

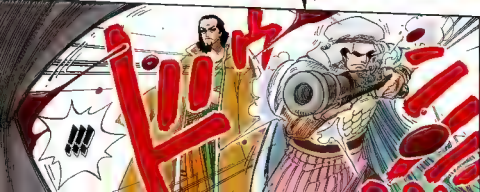

DO YOU
HAVE ANY
IDEA...
ANY IDEA
AT ALL,

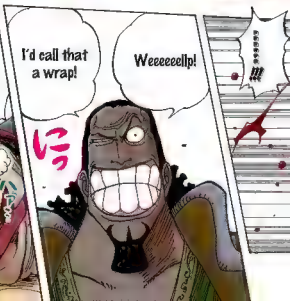

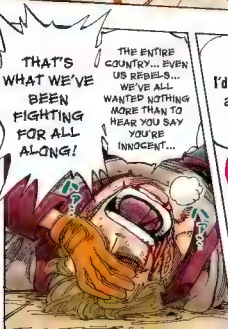

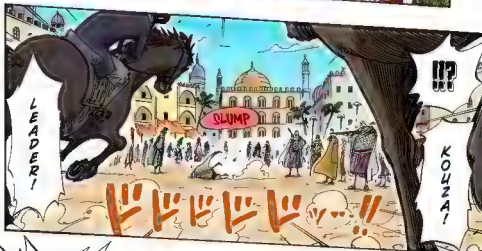

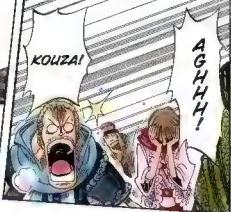

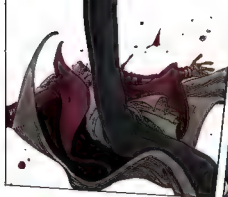

HOW THE
PEOPLE OF
DRIED UP
TOWNS
FELT AS
THEY DIED!?

YOU'D BE
DEFILING
THE
MEMORY
OF ALL
THE MEN
AND
WOMEN
WHO DIED
BELIEVING
YOU!

EVEN IF
YOU HAVE
TO LIE,
IF YOU
DON'T
INSIST
THAT
YOU'RE
INNOCENT,

"It's not the
King's fault..."
"The King is a
wonderful man..."

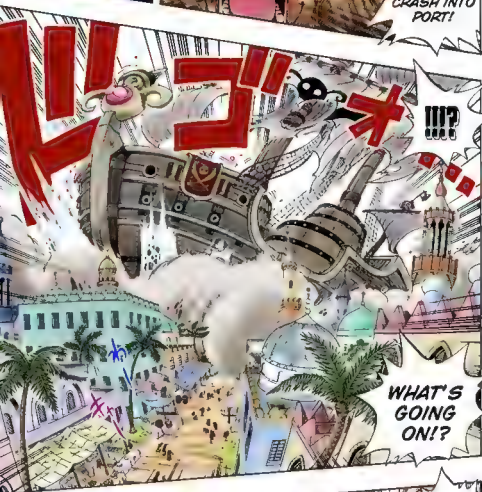

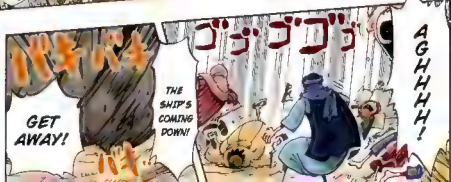

THAT'S
WHAT
I'VE
WANTED
TO
HEAR...

OR AT
THE
VERY
LEAST.

WATCH OUT!
A HUGE
SHIP'S
ABOUT TO
CRASH INTO
PORT!

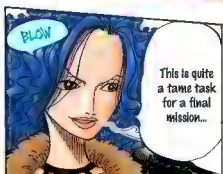

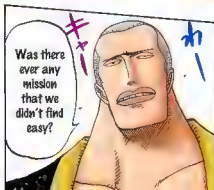

WHAT'S
GOING
ON!?

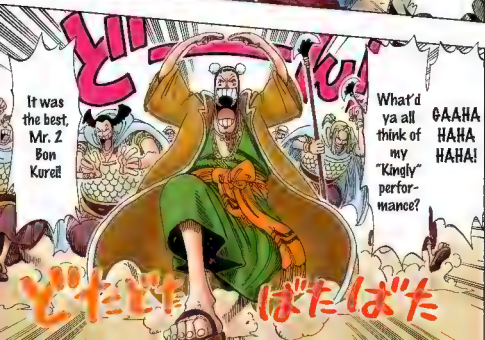

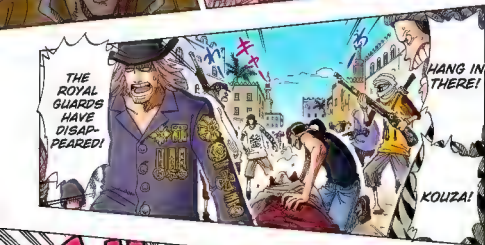

GET
AWAY!

THE
SHIP'S
COMING
DOWN!

AGHHH!

JANGO'S DANCE PARADISE FINAL VOL. "THE 2 HAPPY, DANCING MOP BOYS"

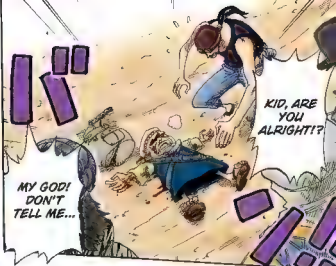

THE ROYAL

HURT A
LITTLE KID!?

MY GOD!
DON'T
TELL ME...

KID, ARE
YOU
ALRIGHT!?

YOU'VE
GOT THE
WRONG
IDEA...!

N...
NO...

Don't try to
talk or you
might make
it worse!

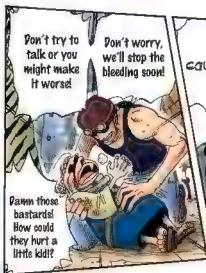

Don't worry,
we'll stop the
bleeding soon!

COUGH! N... NO...

Damn those
bastards!
How could
they hurt a
little kid!?

YOU'VE ALL
BEEN
TRICKED!

COUGH!

KOUZA!

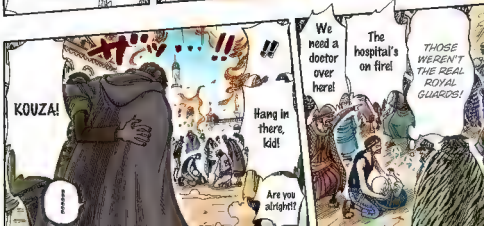

Hang in
there,
kid!

Are you
alright!?

We
need a
doctor
over
here!

The
hospital's
on fire!

THOSE
WEREN'T
THE REAL
ROYAL
GUARDS!

Kouza!

To put an
end to this
country...!

It's time...

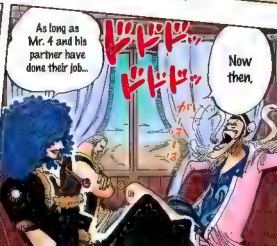

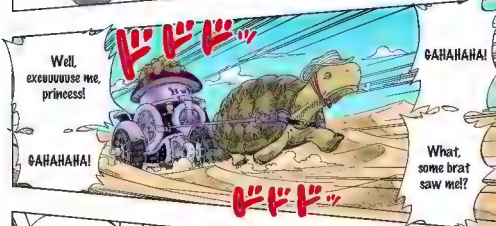

But Kouza! We
still don't have
enough weapons!

And tell
them to
prepare for
the final
battle...

Contact all
detachments,

AND THE
TIME TO
SWEEP
AWAY ITS
ROTTING
CARCASS
HAS
COME!

LISTEN
UP! THE
ALABASTA
YOU KNEW
AND
LOVED IS
NOW
DEAD!

RIGHT
ON!

WE WILL
LAUNCH
A FULL-
SCALE
ATTACK
ON THE
CAPITAL!

BRING THE
KING TO
JUSTICE!

**Alabastan
Capital

**THAT'S
RIDICU-
LOUS!**

**THAT
REPORT
MUST BE A
MISTAKE!**

**THERE'S
NOT A
CHANCE
THE KING
WOULD DO
SUCH A
THING!**

**THERE
ISN'T ANY

EXCUSE WE
CAN GIVE
AT THE
MOMENT!**

**AS IT WOULD
TAKE FOR ONE

**BUT THE
KING'S
BEEN
REPORTED
MISSING
FOR
EXACTLY
THE SAME
AMOUNT
OF TIME,**

EVEN MANY
CITIZENS
WHO'VE
BELIEVED
IN THE KING
UNTIL NOW,

AND THE
REBELS
HAVE
GROWN
EVEN MORE
OUT OF
CONTROL AS
THEY VOICE
THEIR
OUTRAGE!

NOT ONLY
THAT, NEWS OF
THE INCIDENT
AT NANOHANA
HAS ALREADY
SPREAD
THROUGHOUT
THE KINGDOM,

THE
FLAMES OF
REBELLION
SHOW NO
SIGNS OF
STOPPING!

WE DON'T
HAVE THE
NUMBERS
TO
SUPPRESS
ALL THE
REVOLTS!

HAVE
TURNED
THEIR
BACKS
ON KING
COBRA AND
RAISED
ARMS!

IT'S TOO
LATE TO
STOP THEM
FROM
ATTACKING!

THE WHOLE
POPULACE IS
READY TO
STRIKE AT
ALUBARNA!

WE SHALL
GLADLY
FOLLOW
YOUR EVERY
LAST ORDER!

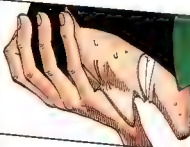

PLEASE,
SIR! YOU
MUST GIVE
THE ORDER
TO
MOBILIZE
THE ARMY!

WHAT AM I
SUPPOSED TO
DO...!?

WHO AM I
SUPPOSED TO
BELIEVE IN...?

THIS IS AN ABSURD
TURN OF EVENTS...
THE KING'S WORDS
I HEARD ONLY THE DAY
BEFORE ARE ALREADY
TURNING HAZY IN MY
MIND...!

We are
Alabasta's
Royal
Guards!

Fine, if
it's come
to this,
then so
be it!

WE SHALL
DEFEND THE
TRUTH WE
SEE WITH OUR
OWN EYES!
WE SHALL
DEFEND THIS
KINGDOM!

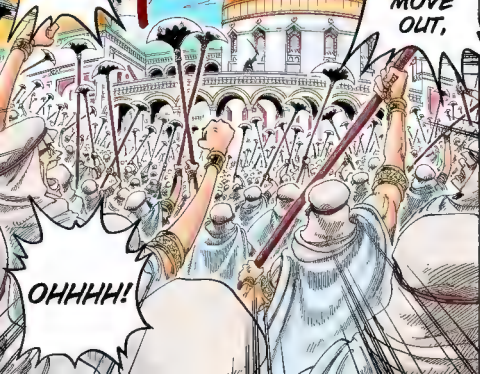

WE CANNOT
ALLOW THE
KINGDOM TO
FALL JUST
BECAUSE
THE KING
IS ABSENT!

AND
ENGAGED
THE
REBEL
ARMY!

ALL
TROOPS
WILL
HEREBY
MOVE
OUT,

OH HHHH!

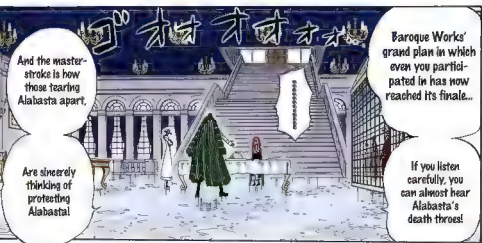

The rebellion's leader Kouza was shot!

ゴオオオオオオ.

The rebel force is apparently mounting a full-scale attack on the capital!

To think the King and the Royal Guards would dare to come out like that...

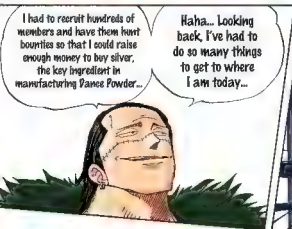

...Depraved is the perfect word to describe this lunatic.

Is what will bring it to its destruction!

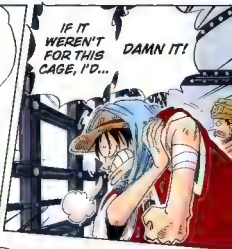

Doesn't that bring a tear to your eye? Their love for their country.

Hahaha!

I had to recruit hundreds of members and have them hunt bounties so that I could raise enough money to buy silver, the key ingredient in manufacturing Dance Powder...

Haha... Looking back, I've had to do so many things to get to where I am today...

IF IT WEREN'T FOR THIS DAMN IT! CAGE, I'D...

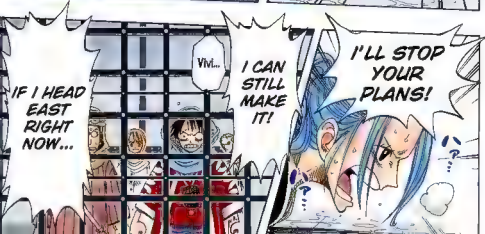

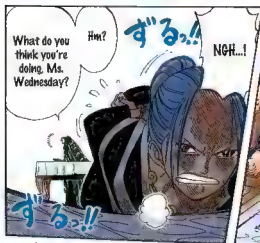

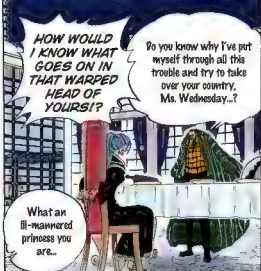

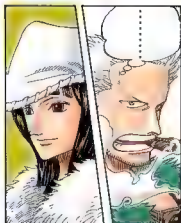

And slowly build up the citizens' trust in me as their faith in their King whittled away...

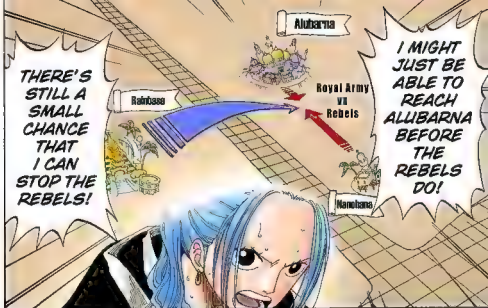

Teach men how to act the part of a Royal Guard,

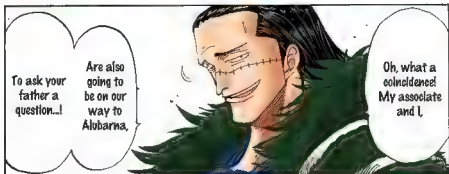

Secretly sabotage irrigation canals,

THERE'S
STILL A
SMALL
CHANCE
THAT
I CAN
STOP THE
REBELS!

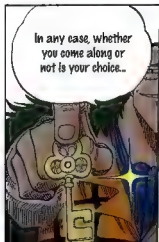

I MIGHT
JUST BE
ABLE TO
REACH
ALUBARNA
BEFORE
THE
REBELS
DO!

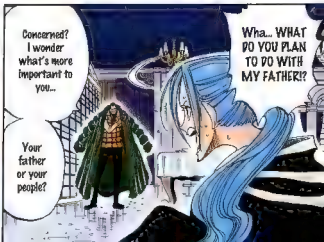

To ask your
father a
question...!

Are also
going to
be on our
way to
Alubarna.

Oh, what a
coincidence!
My associate
and I.

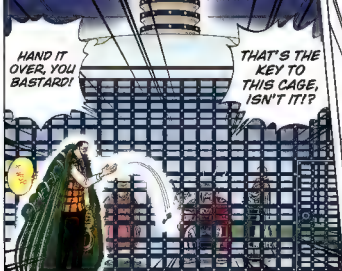

In any case, whether
you come along or
not is your choice...

Concerned?
I wonder
what's more
important to
you...

Your
father
or your
people?

Wha... WHAT
DO YOU PLAN
TO DO WITH
MY FATHER?!

Chapter 173

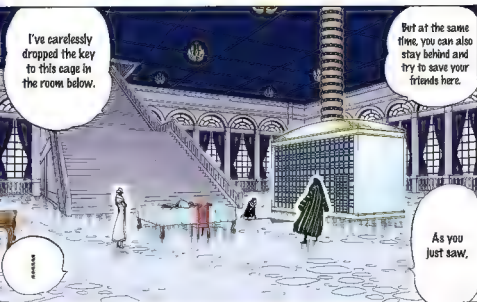

“Bananadile”

So if you intend on stopping the rebellion, you better leave right away,

Lest you wish for tens of thousands to die in vain...!

I've carelessly dropped the key to this cage in the room below.

But at the same time, you can also stay behind and try to save your friends here.

As you just saw,

Bananadile?

The choice is yours, Ms. Wednesday...

Down to the Bananadile lair...

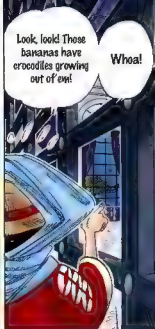

It's those crocodiles that're weird.

Don't be stupid, it's the other way around. The bananas are growing from the crocodiles.

What a weird banana.

AND WE'RE UNDERWATER RIGHT NOW!

W-WHY'RE THOSE CROCODILES SO BIG?!

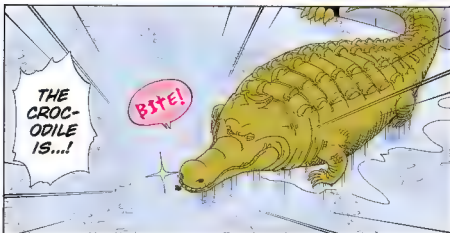

Look, look! Those bananas have crocodiles growing out of em!

Whoa!

AHH!

SHOCKED!!

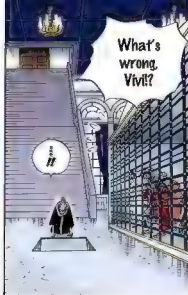

THE CROCODILE IS...!

BITE!

Swallowed the key just now!

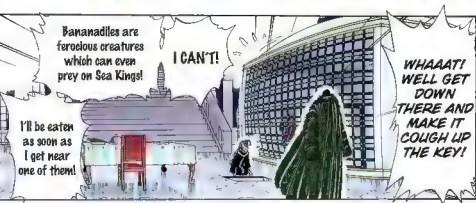

One of the crocodiles...

What's wrong, Vivi?!

GULP!

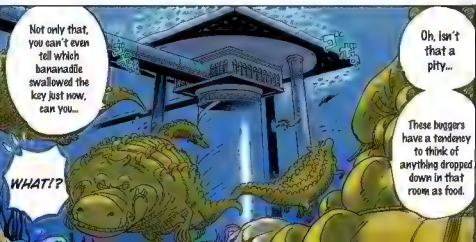

Bananadiles are ferocious creatures which can even prey on Sea Kings!

I CAN'T!

I'll be eaten as soon as I get near one of them!

WHAAAT! WE'LL GET DOWN THERE AND MAKE IT COUGH UP THE KEY!

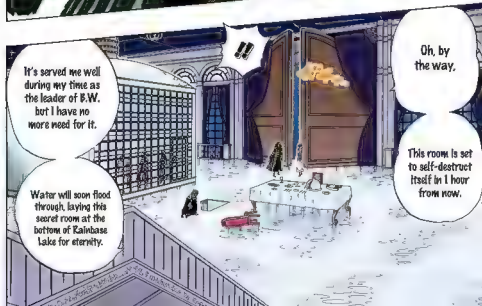

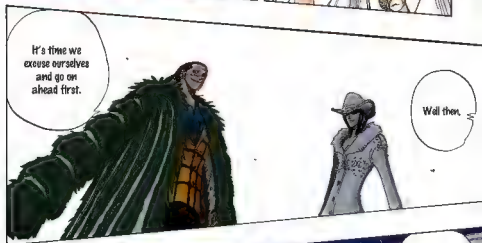

Not only that, you can't even tell which bananadile swallowed the key just now, can you...

Oh, isn't that a pity...

These buggers have a tendency to think of anything dropped in that room as food.

WHAT!?

Your chances
of saving
either are low,

The lives of
a million
innocent
citizens.

And you'll be
wagering
with your
own heartfelt
emotions.

Or that of
4 small-time
pirates with
no future...

SHOCKED

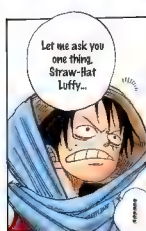

KUHAAAA!

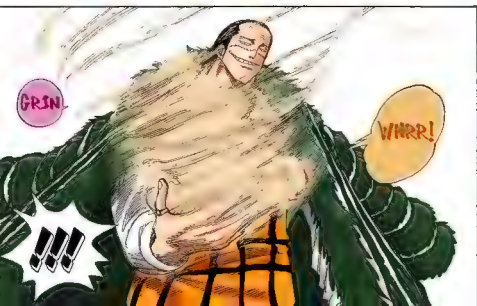

So I hope
you're in the
betting mood!

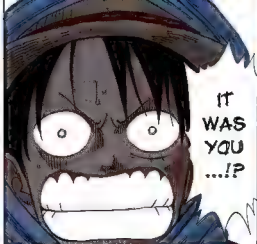

It was a pleasure
plotting in your
kingdom thanks
to all the clueless
idiots,

Ranging from
the hot-
headed young
rebels to the
stubborn old
digger in Yuba!

In such
circumstances,
I suppose even
a princess is
powerless to do
anything...

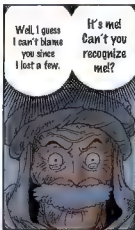

IT
WAS
YOU
....!?

Yuba will never
be defeated by
mere sand...

YOU'LL
PAY
FOR
THIS...

Well, I guess
I can't blame
you since
I lost a few.

It's me!
Can't you

“Mr. Prince”

Oh? Judging
by that tone of
voice, you still
remember me
too!

I'm touched,
really...

"Shitty
Restaurant...!?"

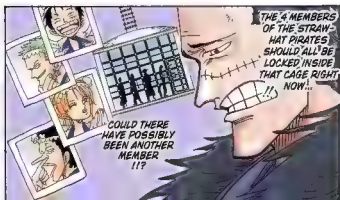

I've never used
the Denden-
mushi even
once while
I was on Little
Garden.

Denden-
mushi?
What are
you talking
about?

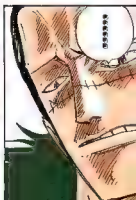

Don't play
around, you
baka.

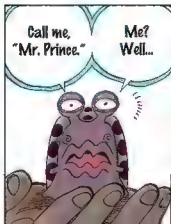

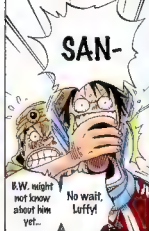

Hello, this is
the shitty
restaurant.

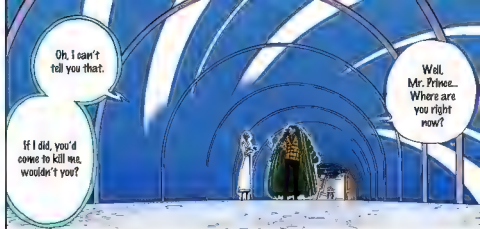

THE 4 MEMBERS
OF THE STRAW-
HAT PIRATES
SHOULD ALL BE
LOCKED INSIDE
THAT CAGE RIGHT
NOW!!

COULD THERE
HAVE POSSIBLY
BEEN ANOTHER
MEMBER
!!?

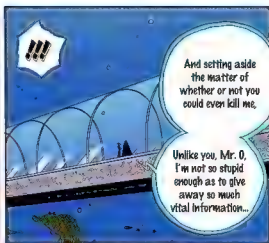

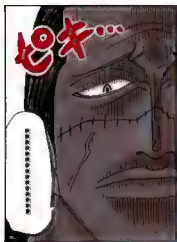

Oh, I can't
tell you that.

If I did, you'd
come to kill me,
wouldn't you?

Well,
Mr. Prince...
Where are
you right
now?

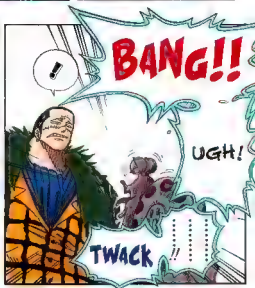

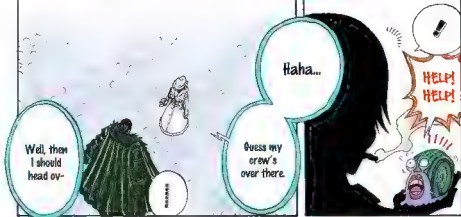

And setting aside
the matter of
whether or not you
could even kill me,

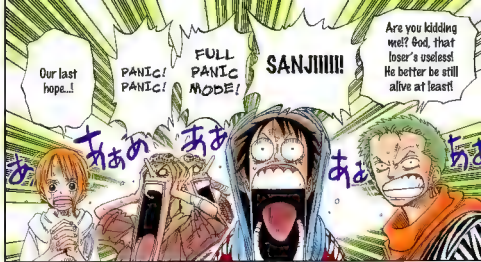

Unlike you, Mr. O,
I'm not so stupid
enough as to give
away so much
vital information...

WE'VE
BEEN
CAUGHT
AND WE
DON'T
HAVE
MUCH
TIME
LEFT!

PRINCE!
HELP
US!

Our last hope...!

PANIC!
PANIC!

FULL
PANIC
MODE!

SANJI!!!!

Are you kidding
me!? God, that
loser's useless!
He better be still
alive at least!

The millions
still don't
know who
their boss is.

Are you
sure?

Perfect!
Let's go to the
front entrance.

HAHA
HAHA
HAHA!

KU
HA
HA

CLICK!

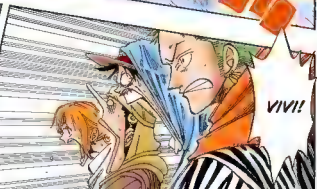

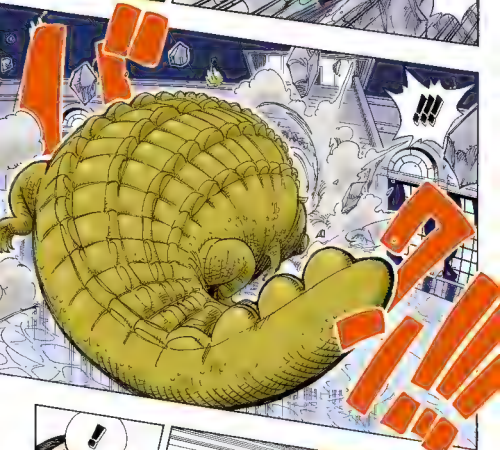

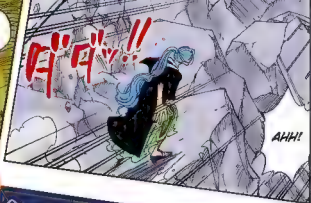

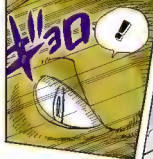

As far as they
know, they'll see
Crocodile the
casino owner,

Coming to see
what the fuss
outside his casino
is about.

Whoever said
I was going
outside as the
boss of B.W.?

Some random
Millions-agent
isn't going to
recognize either
of us as B.W.
members.

DON'T WORRY!
THERE'S STILL
SOME TIME
BEFORE THIS
ROOM IS
COMPLETELY
FLOODED!

WHAT
ARE
YOU
DOING,
VIVI!!?

IN THE
MEANWHILE,
I'LL GO
OUTSIDE TO
BRING BACK
HELP!

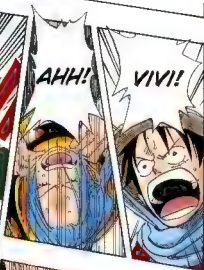

That's right,
and there's
also Chopper
outside.
They might
be able to do
something!

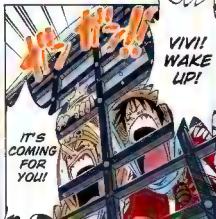

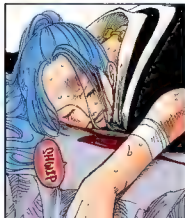

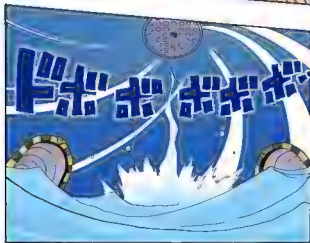

That's right...
I somehow
doubt Sanji
was actually
killed just now.

If Vivi can
just go
rescue Sanji
right now,
then...!

WATCH
OUT,
VIVI!

I hope you'll be satisfied with just his corpse... Hahaha!

I'll even bring that cheeky Mr. Prince here for you...

You can all become food for my bananadiles as this room sinks to the bottom of the lake.

If you like your pirate-friends so much, then feel free to stay here with them.

THE WINDOWS
BROKE!

FORGET 60
MINUTES! AT
THIS RATE, WE'LL
ALL DROWN IN
LESS THAN 20
MINUTES!

**I SWEAR
I WON'T
LET ANY

BRING
BACK HELP
SOON!**

What in
the world!?

Wha...

What
happened
here?

YOU!
TELL ME
NOW!

Then it
appears all
the millions
stationed in
this town have
been defeated.

If we include
the members
defeated by
Pell the Falcon
earlier on,

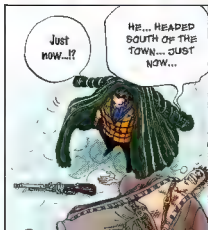

Just
now...!?

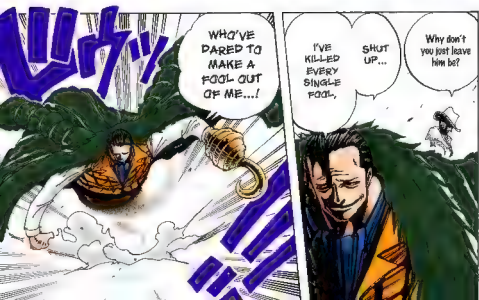

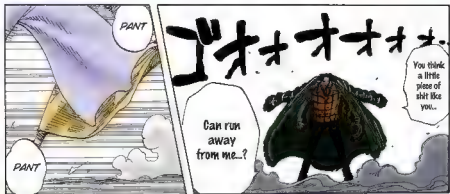

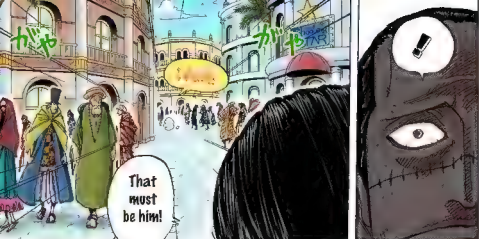

HE... HEADED
SOUTH OF THE
TOWN... JUST
NOW...

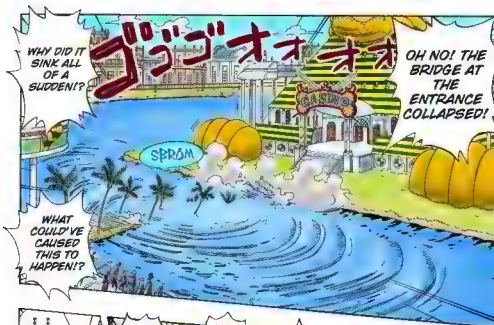

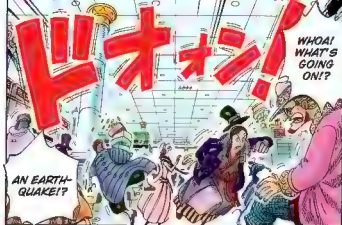

And where
did he go?

WASN'T HE
CAUGHT!?

SOME GUY...
CALLED
MR. PRINCE...
DID ALL THIS...

Tony's a
decoy...!?

Yeah, don't
worry
though. He'll
be fine.

But we still need
to hurry. Fill
me in on the
situation, Vivi!

R-right...

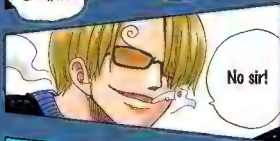

Hm?

Who, me?

Weren't
you shot
earlier?!

But
Sanji...

Huh?
Who the hell
are you?

...Wait, are
you the one
who did this
to our pals?!

My... My name
is Mr. Prince..

GAHHH!

MY NAME
IS MR.
PRINCE!

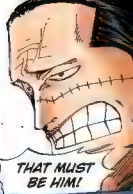

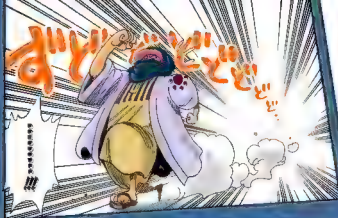

I CAN DO
THIS...!

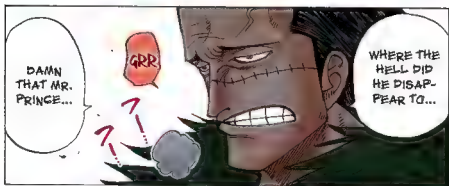

What
happened
here?!

HEY
YOU!
TELL
ME!

SOME
GUY...
CALLED
MR.
PRINCE...
DID ALL
THIS...

What in
the world?!

あ あ あ あ あ あ
WE'RE
GONNA
DIE!
WE'RE
GONNA
DIE!

あ
A
G
H
H
H
H
H
!

あ あ あ あ あ
THE
WATER'S
ALREADY
UP TO OUR
KNEES!

あ あ あ あ あ
IT'S
ALL
OVER
FOR
US!

ド ド ド ド ド ド ド!!

OVER
HERE,
YOU BIG
FAT
BANANA!

Q-GOOD
IDEA!

I'm trying to
anger it so it'll
bite and break
open this cage
for us!

HEY, YOU
DUMB
CROCODILE!
OVER HERE!

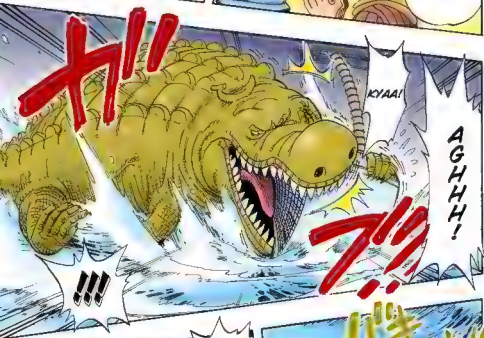

ウ-WHAT'S
WRONG
WITH YOU,
NAMI!?

**IT'S
COMING!**

What's the
difference?
Both bananas
and crocodiles
are something
you eat.

For example, the word
"Monkey Dance" refers
to a dance even though
the word "monkey" is
an animal...

Luffy, I told you
that's wrong! It's
the banana that's
growing from the
crocodile, which is
why its name has
"-dile" at the end.

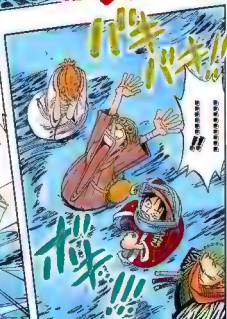

WHAT THE
HELL IS THIS
CAGE MADE
OUT OF?

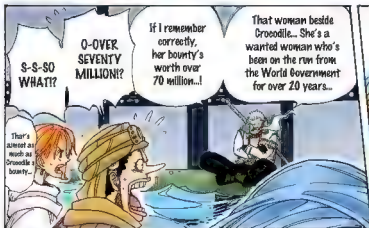

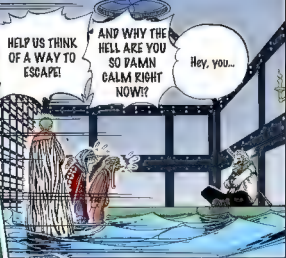

**IT'S NO
GOOD!**

GRUMBLE

GARGAHH!

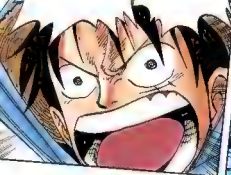

**HURRY
UP AND
SAVE US,
VIVI!**

TO KICK
THAT
BASTARD'S
ASS!

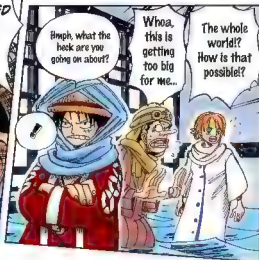

I DON'T NEED
ANOTHER
GODDAMN
REASON,

Hmph, what the
heck are you
going on about?

Whoa,
this is
getting
too big
for me...

The whole
world?
How is that
possible!?

NOOO!

WE'RE
GONNA DIE!
WE'RE ALL
GONNA DIE!

OH CRAP!
THE WATER'S
ALREADY UP
TO MY
THIGHS!

So then...
How do you
plan to get
out of here?

.....

I see...

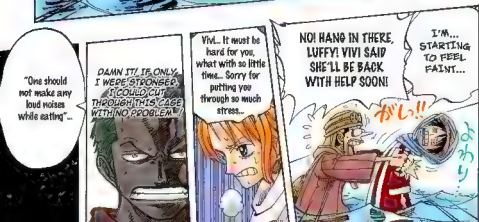

"One should
not make any
loud noises
while eating..."

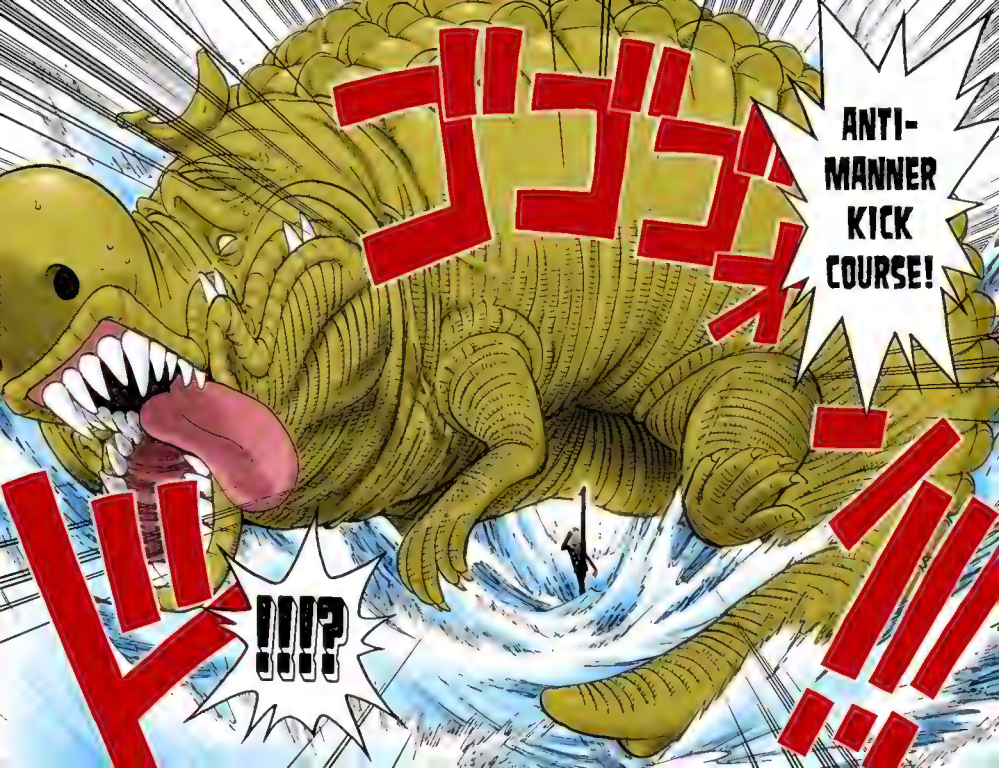

DAMN IT! IF ONLY
I WERE STRONGER,
I COULD CUT
THROUGH THIS CAGE
WITH NO PROBLEM!

Vivi... It must be
hard for you,
what with so little
time... Sorry for
putting you
through so much
stress...

NO! HANG IN THERE,
LUFFY! VIVI SAID
SHE'LL BE BACK
WITH HELP SOON!

I'M...
STARTING
TO FEEL
FAINT...

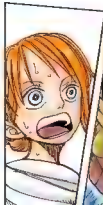

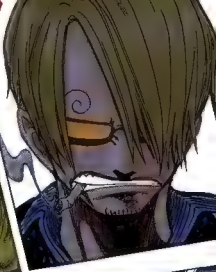

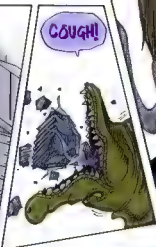

ゴゴゴ

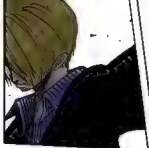

ANTI-
MANNER
KICK
COURSE!

ゴゴゴ

!!!!?

ゴゴゴ

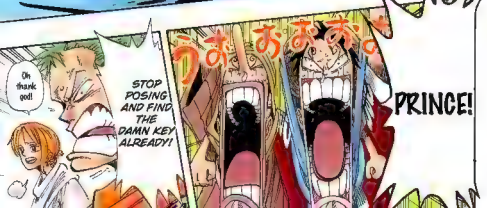

WHEW!

Did I keep
you
waiting?

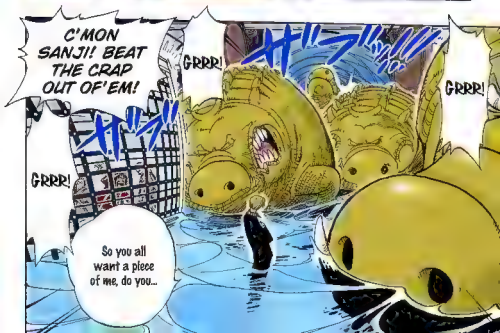

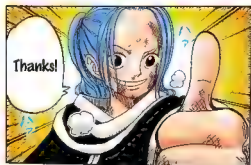

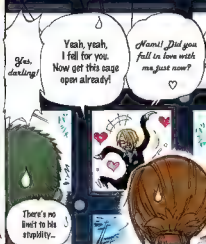

'Sup.

Oh
thank
god!

STOP
POSING
AND FIND
THE
DAMN KEY
ALREADY!

PRINCE!

I'll gladly kick
some table
manners,

Into anyone
boorish enough to
harm a lady...!

オオオオオ...

So be it.
Come at me,
you worthless
bananas.

Tell your friend to
go after the 3rd
one to enter the
room just now...

Huh?

NO,
MORE
LIKE
HALF A
SECOND!

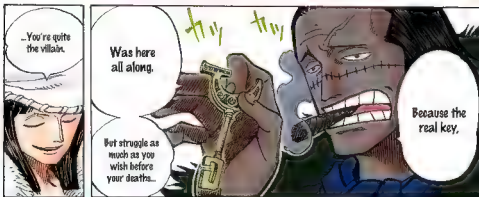

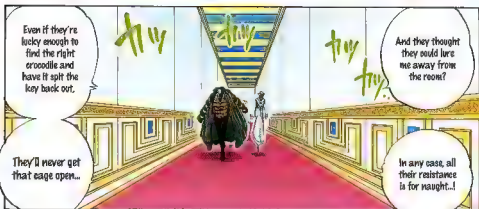

SANJI!
THERE'S NOT
MUCH TIME
LEFT! FINISH
THEM OFF IN
A SECOND!

That 3rd one had
the exact same
growl as the one
that swallowed
the key.

GOT
IT!

Are your ears
just for show
or something?

What, can
you tell them
apart?

Chapter 176

“Rush!!”

GIVE IT
HERE!

AHHH!
THAT
KEY!

AGHHHH!
YOU PIRATES
ARE...!

Hm? What's
this odd key
stuck to my
Doru Doru
Ball...?

Even for me,
this was a
most brilliant
plan. If
I must say
so myself!

And a key...
Ah, of course!

An iron
cage...

A quickly-
flooding room.

Hold
on...

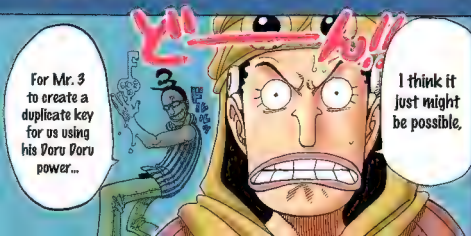

Hm?
You
want
this
key?

Fine, here
you... €000!

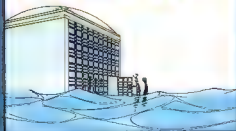

So you're Mr. 3...
Hand that key
over already.

I've now grasped
the current
situation, I believe...

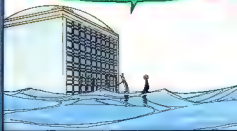

WHA!?

CREAK...

CLICK!

Awww,
shucks.

Eheheh.
♡

Oh, pretty good,
Candle-mart.

But the problem
is it's still
blocked by
all those
bananadiles!

I think the
underwater
passage they
were planning
to walk through
is the way to
Alubarnal!

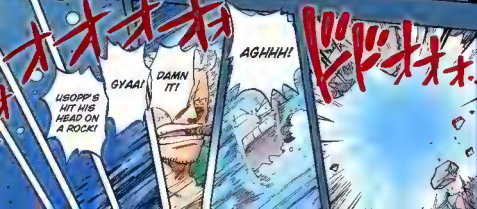

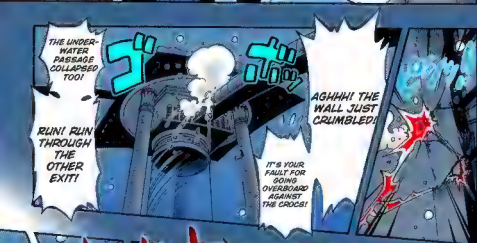

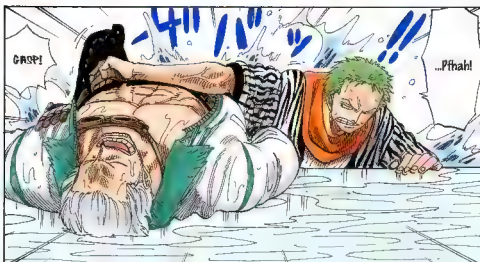

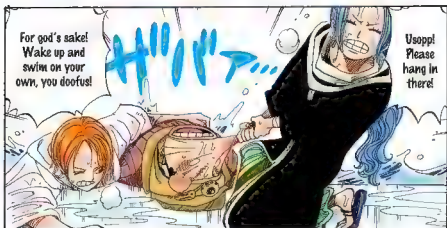

Let's
hurry!

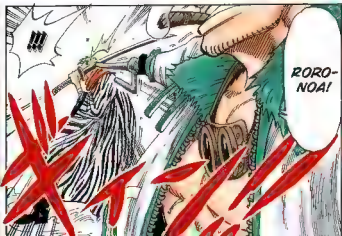

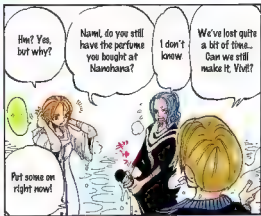

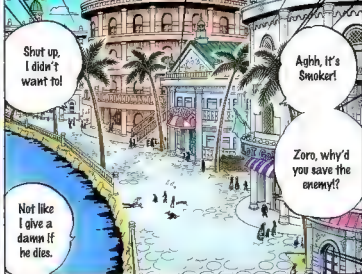

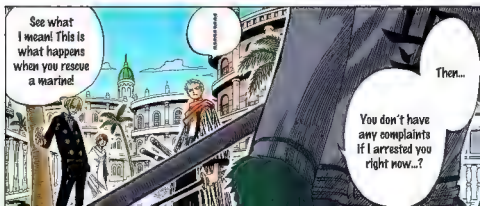

UGH!

Gather the troops!

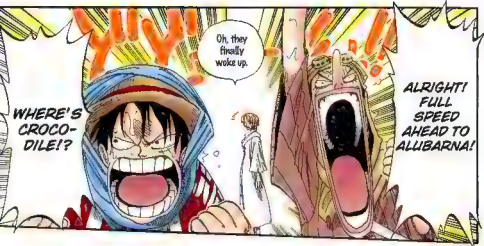

Yes, sir!

Let's go back up the captain!

Yeah, and I also saw Smoker with him too!

Straw-Hat Luffy is here!?

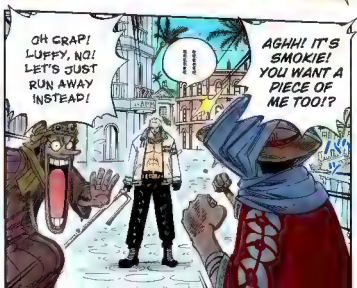

WHERE'S CROCO-DILE!?

Oh, they finally woke up.

ALRIGHT!
FULL
SPEED
AHEAD TO
ALUBARNA!

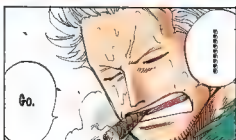

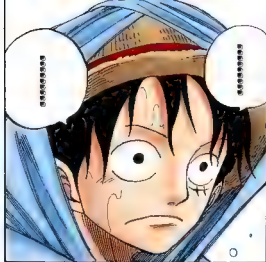

IS THIS BRAT
EVER
SERIOUS...!?

OH CRAP!
LUFFY, NO!
LET'S JUST
RUN AWAY
INSTEAD!

AGHH! IT'S
SMOKIE!
YOU WANT A
PIECE OF
ME TOO!?

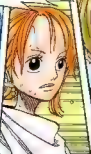

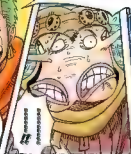

Straw-Hat
Luffy...

The next time we
meet, consider
your life forfeit.

Haha!

OVER THERE! IT'S THE
STRAW-HAT PIRATES!

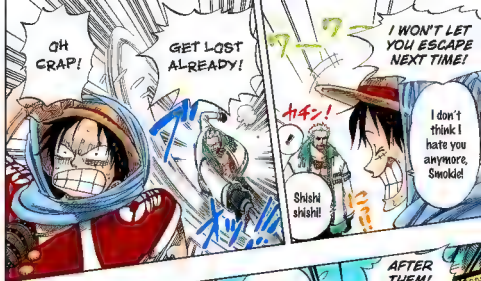

Right.

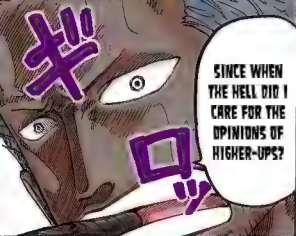

Hey Luffy!
What're you
doing? We've
gotta get going!

This way!
We have to
head East!

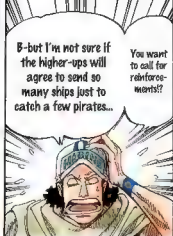

Come on, let's go
before the marines
get here! Which
way's Alubarna?!

だだだ!!

SINCE WHEN
THE HELL DID I
CARE FOR THE
OPINIONS OF
HIGHER-UPS?

B-but I'm not sure if
the higher-ups will
agree to send so
many ships just to
catch a few pirates...

You want
to call for
reinforce-
ments?!

I'LL GO
CONTACT
THEM
RIGHT
AWAY!

I'LL...

I can smell
Nami's
perfume
growing
stronger!

SNIFF
SNIFF

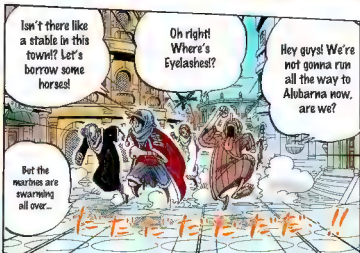

Hm...
This
way!

Gotta
hurry!
Gotta
hurry!

Don't worry,
guys... Take a look
in front of you!

Isn't there like
a stable in this
town!? Let's
borrow some
horses!

Oh right!
Where's
Eyelashes?

Hey guys! We're
not gonna run
all the way to
Alubarna now,
are we?

But the
marines are
swarming
all over...

だだだだだだだ!!

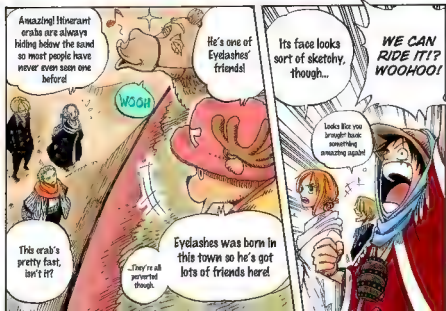

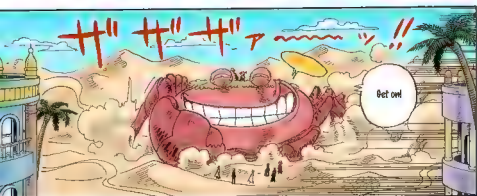

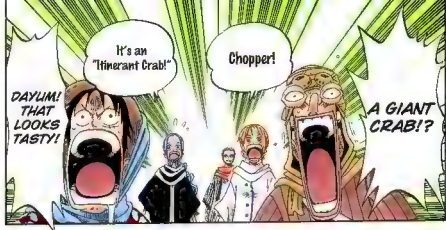

HEY
GUYS!

Ahh!
They're
over
there!

OVER
HERE!

!!!?

カカカカ

LET'S GO!

Alright then...

CLUTCH

AND

LET'S GO!

Alright then...

CLUTCH

AND

AND WE'RE OFF!

Huh?

AND WE'RE OFF!

A large, red, smiling crab-like creature with a green hill on its back is running through clouds. Several small figures are on the hill. Sound effects "カ" and "CLUTCH" are visible. Speech bubbles contain "Huh?", "!!!", "AHH!", and "AND WE'RE OFF!"
